## REPORT OF YOUR RECREATION DIRECTOR FOR YEAR 1969

The Year 1969 was a most successful one for Recreation, having served a total of 60,032 people (an increase of 21,936 over the previous year). A great deal of credit is due the Recreation Committee, the Town and School Officials, as well as the custodial staff for their splendid co-operation. The Highway, Police, and Fire Departments were also most helpful.

An increase of 2,000 people participated in the swimming program at Millville Lake; 2,118 children received swimming instruction and 7,611 residents used the Town Beach for public swimming. The five playgrounds and the night program at Woodbury Jr. High School were enjoyed by 12,412 youngsters and teenagers, an increase of 2,705 over 1968.

While two programs were dropped during the course of the year, (Church Volley Ball League and Weight Lifting), a new craft program at the Barron School was initiated in November. The Teenage and Adult Painting Classes were expanded. A state-wide bowling tournament was held at Sandy's. This was in addition to the regular programs that were conducted in 1968.

I wish to express my sincere thanks to the various citizens and organizations for their help in presenting these programs.

It has been my pleasure to serve as your Recreation Director.

Yours for recreation,

George K. Bruso  
Director of Recreation

# SALEM POLICE DEPARTMENT

January 26, 1970

Mr. Frederick T. Staples  
The Board of Selectmen  
Salem, New Hampshire

Dear Sirs:

The Department records indicate the following activities for the Year 1969:

Total Mileage of Patrols	249,980
Total number of complaints investigated	2,808
Motor Vehicle accidents:	
Personal injury	94
Property damage	325
Fatal	3
Number of summons or subpoenas served	155
Motor Vehicle Warnings issued	172
Number of complaints or investigation with other departments	151
Property checks made:	
Recreational	2,266
Vacant or Vacation	2,824
Motor Vehicles stolen in Salem	71
Motor Vehicles recovered in Salem	50
Receipts for photostatic copies, pistol or revolver	\$1,548.00
Total number of arrests for the year	954

## EDUCATION AND TRAINING

The Department sponsored an in-service training program conducted by the F.B.I. for a period of six (6) weeks, beginning May 13, 1969. Several departments in this area were invited to attend and all responded.

The Selectmen made available on a temporary basis, land adjacent to the treatment plant on South Broadway, for a firearms training program.

We were able to initiate, on a voluntary basis, instruction on the use of a firearm. This program will be renewed in April and, at that time, all permanent officers will be required to complete the training course. Our special officers will be assigned to the range for instruction, whenever available.

Several officers are now attending St. Anselm's College taking advance courses in criminal investigation and related sciences.

## TRAFFIC CONTROL AND HIGHWAY SAFETY

The Salem Highway Safety Committee have recommended a traffic engineering survey of the town, with particular emphasis on the area.

We have agreed that the traffic control system at Salem Center be modified to include a pedestrian "Walk and Don't Walk" signal, due to the increased number of school children and senior citizens using this intersection.

We are requesting a complete traffic control system at Cluff Road and South Broadway, to eliminate a serious hazard at this location.

Progress has been made but there is a great deal more to be accomplished in our safety program.

Our immediate Department needs are: a part time traffic engineer; a safety officer; and sufficient personnel to enforce the traffic laws, with provision for a traffic division to implement the traffic engineering survey.

We have requested matching funds from the Governor's Commission on Crime and Delinquency to provide for a full time juvenile officer.

We have been assured that action funds will be provided by the Commission to upgrade the equipment in the Detective Division during the coming year.

A request has been made to the Budget Committee to appropriate funds to support this program.

Very truly yours,

Everett B. Dowe  
Chief of Police

## SALEM FIRE DEPARTMENT

Mr. Frederick T. Staples  
Town Manager  
Salem, New Hampshire

Dear Mr. Staples:

The Salem Fire Department answered 510 fire calls during the year 1969, which was 43 calls less than the previous year. During the same period, the ambulance responded to 678 calls, 14 more than 1968. The types of calls are as follows:

<u>Type</u>	<u>No.</u>
Building Fires	60
Oil Burners, Water Pipes, etc.	47
Grass, Brush, Dump Fires	209
Automobile and Truck Fires	60
Mutual Aid	6
False Alarms	13
Rescue	24
Trailer	9
Miscellaneous Calls	<u>82</u>
	510
Ambulance Services	<u>678</u>
Total Departmental Calls	<u>1188</u>

The fire loss for the year 1969 amounted to \$371,772.27 compared to a loss of \$263,906.00 for the previous year.

The Mack Diesel 1000-gallon pumper was delivered in March, 1969. This apparatus was subjected to all the pumping tests required by the New Hampshire Board of Fire Underwriters, passing all of them. It is gratifying to report that this piece of apparatus has received

very favorable comment from fire officials in surrounding communities. Several have requested copies of the specifications for their own departments.

We are presently awaiting the delivery of the new Ambulance and Aerial Ladder Truck authorized by the 1969 Town Meeting. It is anticipated that both units will be delivered during the first quarter of 1970. The acquisition of the ladder truck will satisfy the Underwriters' recommendation No. 13 which reads, "that a ladder truck constructed and equipped in accordance with the provisions of the current edition of NFPA Pamphlet No. 19 be immediately acquired".

During the year 1969 a general survey of the town was conducted by the New Hampshire Board of Fire Underwriters. Their findings and recommendations were submitted to the responsible Town Officials. Some recommendations were deemed most important and their early adoption was urged. To conform with the Underwriters' Recommended Improvement Program, I am requesting the following, either in my 1970 Operating Budget or in Special Articles:

- (a) six additional men
- (b) the appointment of a Lieutenant who will be responsible for fire inspections, fire prevention and investigations and the maintenance of fire records and reports.
- (c) monies for plans, specifications, etc., for a sub-station in the southern part of the town.
- (d) the purchase and installation of a municipal fire alarm system in accordance with Pamphlet No. 13, "Municipal Fire Alarm Systems".
- (e) the appointment of an additional Deputy Chief.

During the year the Department acquired minor equipment and special appliances, which resulted in all Class "A" pumpers being equipped in accordance with NFPA Pamphlet No. 19.

The Department extends its thanks to the people of Salem for their continued interest, cooperation and support.

Respectfully submitted,

SALEM FIRE DEPARTMENT

Raoul Lavoie, Chief

## REPORT OF TRUSTEES OF THE KELLEY LIBRARY

The Kelley Library has continued to increase its public service capability. Additional reference volumes have proved to be popular as have the new books procured for general reading.

The \$12,000 book budget amounts to only 50¢ per person on Salem's population of practically 24,000 people; and, at an average cost of approximately \$5.00 per volume, new book procurement was necessarily restricted. There are still many feet of empty shelves indicating the need for greater future book budgets. Communities the size of Salem frequently use a base of \$1.00 per capita.

With an assist from the Budget Committee, the leaking windows at the east end of the building have been replaced with metal framed windows. The leaking condition has now been eliminated.

Some patrons requested more evening hours and our librarian, Miss Mary L. Pappas rescheduled available staff time to provide new library hours: 10:00AM to 9:00PM Monday through Friday, and

10:00AM to 5:00PM on Saturday. A new part-time custodian is in attendance during the evenings from 6:00 to 9:00PM and all day Saturday.

The Library has received two donations of equipment which will be of considerable benefit to the public.

The Sullivan Fuel Company gave a Copymate machine capable of copying papers or book pages.

Mrs. Harriet Headley and Mrs. Jean Manton, former officers of the Friends of the Library, with money accumulated from book sales, gave a film projector with sound. With some restrictions the equipment will be available to responsible persons.

The Trustees are very grateful for these most excellent contributions.

A recent survey of the lighting facilities in the Library shows them to be woefully inadequate in both reading and stack areas. An illuminating engineer's report soon to be received should be given careful study with prompt action to remedy the deficiency.

The need for air conditioning is evident during many hot summer days and is reflected in reduced patron attendance and frequent patron complaints. This problem needs prompt consideration by a survey and cost estimate.

CLARENCE L. NUTTING, Chairman  
Board of Trustees

## SALEM CONSERVATION COMMISSION 1969

We are asked, "What does the Conservation Commission do?" It seeks to carry out a program of action and public education to ... "create and encourage an awareness ... of the need for wise use and proper management of those resources of the earth *upon which the lives and welfare of men depend*: the soil, the water, the forests, the plant life, and the wildlife." (quote by Kimball, *National Wildlife*)

More specifically, the following is an account of a busy year by the Salem Conservation Commission, hereinafter called the "C.C."

"Conservation is Good Economy" was the title for a community meeting, held May 8 at the Lewis F. Soule School. A panel of town leaders presented long and short-range planning goals for Salem; Mr. John Baketel showed 20 color slides of the Spicket River area; exhibits and brochures were available. A Citizens Advisory Committee had its beginnings here. Summary: "Salem Urgently Needs Planning!"

A "Homebuilder's Award" was presented on May 8 to John Gaumont and Roger Ackerman, and George Dinsmore and Fred Torrissi, as an effort to publicize and encourage the highest standards in construction and landscaping for our town.

The C.C. made possible an informal gathering of interested persons at the home of Mrs. Erskine Lord on June 26. The ecology and wildlife of the 110 acres of Lord land along Veterans' Memorial Parkway, and its value as a natural resource, to be preserved untouched for the most part, was discussed informally. Summary: "We have wilderness in the heart of Salem!"

On July 17 the C.C. met with Floyd Avery, Malcomb Chase, State Highway Department, and Fred Staples, Town Manager, for an on-the-spot tour of alternate routes and proposals for extension of Veterans' Memorial Parkway. Summary: "An indispensable natural resource is threatened!"

During their July-August meetings, the C.C. toured the Sewage Plant and the Water Pumping Station at Canobie Lake. On August 15 the first Homebuilder's Tour for 1969-1970 possible awards was taken, guided by James Falls.

The Salem C.C. sent Tom Groleau to Bear Brook Conservation Camp, and paid half tuition (\$35.00 per week per child) for the Garden Club to send Chris Clarke. The Lions Club sponsored David Wilson, through the efforts of Gerard Bauters, C.C. member. After the June 22-29 week of camping was over, the boys said they would have returned for another week. Conservation study blended with recreation and fun.

Gerard Bauters and William Schultz prepared an "Earth Removal Ordinance", to amend the 1961 Zoning Ordinance, for protection of soil, trees, visual beauty; to control the use of the land and the health and welfare of the people.

At March Town Meeting, 1969, the C.C. was voted \$4,000.00 (by petition and amendment) for the purchase and management of conservation land. Land was made available from Guy Ackerman, Fred Torrisi, and George Merrill. The Selectmen would not approve our deeds with a "binding" conservation clause and the matter goes to Town Meeting, 1970.

The Spaulding-Potter Charitable Trusts matched the petitioned Town Conservation Fund money (\$1,000.00) with \$500.00, which is in the Salem Trust Co. bank.

COOPERATION WITH OTHER GROUPS. The C.C. worked with the Garden Club on spring litterbug projects and in the physical planting of bulbs, shrubbery and hemlock trees at the Boys Club and Salem High School. Also assisted in lilac planting at the Rest Area on Rte. 93. Exhibited at the Garden Club "Country Fair" on August 14--featuring the Bear Brook Conservation Camp. Contributed \$25.00 toward the bronze *Abnaki Park* plaque.

We prepared a duplicate of our Index Map of Salem's Natural Resources at the request of Consultant Planner, Harry Weinroth of Lawrence, which helped in the planning and zoning recommendations of Mr. Weinroth and the Planning Board.

The C.C. participated in the three-day Lions Club *Trade Festival*. For marching in the Saturday parade, November 1st, with children carrying Conservation signs, we received an award. Our booth was decorated with labeled evergreens, posters and flowers. Brochures and surveys were available to the public. Summary: "Fun!"

ENVIRONMENTAL EDUCATION. Such newspaper articles as "Wet is Beautiful"; "On the Conservation of Man"; "Hear Ian McHarg, Landscape Designer", etc., were released to the Salem Observer and the Lawrence Eagle-Tribune. The Lord meeting, the May 8 meeting, Litterbug work, etc., were reported on in full.

Members attended a Nuclear Power Conference in Concord and an all-day tour of Henniker, N. H., a small town with no zoning ordinances, to study its open space.

The Chairman of the C.C. joined with other New Hampshire C.C. members to walk along the Nissitissit River (Brookline, N. H. to Pepperell, Mass.). "The Nissitissit River Land Trust" seeks to protect the entire length of this virtually unpolluted river, and currently needs \$9,000.00 to purchase 50 acres on the banks.

Mrs. Elvira Schultz and Mrs. Harriet Headley attended *SPACE* hearings in Manchester and Exeter. We are aware of the importance of environmental issues on a regional and state-wide basis.

A year's work on the survey questionnaire, "A Study of Town Conservation Needs and Interests", was summarized and submitted to *New Hampshire-Tomorrow*, along with a "Spicket River Basin Project" report. A publicity version with two pictures of the Spicket River appeared in the December 8, 1969, issue of the Lawrence Eagle-Tribune. This survey work is on-going, and the Salem C.C. welcomes returns of these surveys at any time. They may be picked up at the Kelley Library or the Municipal Office.

We worked with the Garden Club to promote interest in the restoration and preservation of the 230-year old Town Hall. Wrote to "America The Beautiful Fund" and described our plans to the Selectmen in September. The Salem Jaycees and the Historical Society, as well as the Boy Scouts, PTA's, etc., will join this project.

Our MOTTO: *EDUCATION... "For the Conservation and Appreciation of wildlife and wilderness, natural resources and natural beauty."*

## REPORT OF THE SALEM HISTORICAL COMMISSION

The Salem Historical Commission started the year with the following requests which were presented to the Board of Selectmen:

1. Remove the various signs on the old Town Hall and erect a suitable sign to match the architecture of the building, listing the various groups which meet there. This has been done.

2. Cut the brush at the rear of the old Library and Town Hall, leaving some of the good trees, and landscape the area. This is still on the waiting list.

3. Preserve the remaining stone guideposts at a few of the road intersections. This has not been advocated due to the danger of their being destroyed, but we still hope some use can be made of them.

Mrs. Evelyn Seed was reappointed to a three-year term by the Selectmen. Mrs. Bessie Morrison was appointed to represent the Board of Selectmen.

A request was received from William A. Brown to remove the so-called Richardson buildings on the west side of Bill's Market so as to make a parking area. This was approved.

A request from Lynn Teague who purchased the Agnes Haigh property, to restore the house and replace the barn as near the original style as possible. Request granted subject to approval by the Building Inspector.

An article requesting money to enable the Commission to purchase, preserve, maintain and improve any historic building or site within the District has been inserted in the Town Warrant for 1970. This, we feel, is necessary if these historic places are to be preserved for future generations.

Respectfully submitted,

SALEM HISTORICAL COMMISSION

## REPORT OF INDUSTRIAL CONSULTANT

Nineteen hundred sixty-nine was the year the Salem Industrial Promotion and Building Program really started.

1. Mr. Coats, manufacturer of men's better outer coats, started their 79,250 sq. ft. building in the State Line Industrial Park. This building will be ready for production in the spring.
2. The First Elliott Group, manufacturers of electronic industry parts, started their 25,000 sq. ft. plant in the southwest corner of Salem Industrial Park. They too, will be ready for production in the spring.
3. Klein Associates, manufacturers of underwater sonar equipment, located in the former Atkinson Lumber building on Route 111, are adding a 30' x 50' x 12' deep water tank for underwater research.
4. Battenberg Laboratories, Inc., Pelham Road, are adding a 2,500 sq. ft. building.
5. Majahad Realty have formulated plans for their property at the southwest corner of Rockingham Boulevard and Route 28 and are beginning to actively promote it.
6. Eighty acres of industrially zoned land on upper North Broadway was turned over to professional industrial brokers, who are actively soliciting prospective industrial and commercial clients.

7. In October, the Lions' Club promoted a very successful *Salem Industrial Show*, offering us the opportunity to invite manufacturers and industrial brokers to Salem for an Industrial Site Tour. The industrial land owners cooperated fully, by having complete information about their property available and by paying for part of the expenses incurred. Town Officials, many civic organizations and individuals in the town cooperated in hosting the Site Tour, as well as paying the remaining expenses. The highlight of the occasion was Governor Peterson's visit to welcome the Group. More than 30 "top" industrially oriented firms and brokers took the tour and we are now actively working with a number of them.

At the present time, over 140,000 sq. ft. of new industrial building is in process of being built in Salem, and over 426 acres of industrially zoned land is being actively promoted by brokers or owners.

We look forward to adding many more square feet of industrial building to Salem's taxable list for 1971.

## REPORT OF THE PLANNING BOARD

During 1969 the Planning Board held more than a score of public meetings, the sessions being held on the second and fourth Tuesdays of each month in the Municipal Office building, lower level.

The Board recommended 27 streets or portions of streets for acceptance by the 1969 Town Meeting.

In addition, the following subdivision plans were submitted for review by the Board during the year:

Candlelight Park  
Hillside Estates  
Pulaski Park - Section IV  
Henderson Circle - Section V  
Ackerman Subdivision - Section VII  
Construction Industries  
Keewaydin Shores  
Thunderbird Estates - Section V  
Thunderbird West  
Gananoque Park - Section IV

An additional 31 plans were signed "for recording purposes only."

At the request of the Planning Board a special election was held in December, concurrent with a state representative election. The municipal zoning map was amended at this election to further define the area in which multi-unit dwellings could be constructed within the community.

Many sessions were held with the Town's consultant planner during the year. These sessions resulted in a recommendation by the Board that the Town adopt an entire new zoning ordinance. This recommendation will be acted upon by the townspeople in 1970.

# SYNOPSIS OF NEW HAMPSHIRE FOREST FIRE LAWS

## AND REGULATIONS

### Fire Permit

A *fire permit* is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This means household waste burning, even if in a barrel, grass burning, garden trash as well as brush burning in clearing operations. Such burning is restricted by regulation to be *prior to 9:00AM and after 5:00PM.*

### Exceptions

*Commercial or industrial* burning is allowed during the day with permission of the district chief and a permit from the fire warden.

Household waste burning, with a permit, is allowed on *rainy days* between 9:00AM and 5:00PM.

Camp for cooking fires are allowed on your own property on notification to the warden. On another's property with written permission and notification of the warden. The warden can forbid such fires if intended in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the ranger stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

### Escaped Fires

If a fire escapes from your control, whether or not you have a permit, you are liable for the costs for control and extinguishment. If you start a fire illegally, there is the additional chance of a fine. The landowner may also recover his loss or damages from the fire.

It is unlawful to drop or throw burning material in wooded areas.

Anyone seeing an uncontrolled and unattended forest fire is bound by statute to report it.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands, the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it, the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland maximum fine of \$25.00.
5. For smoking or kindling a fire in woodlands when a ban on the same has been proclaimed, a maximum fine of \$25.00.

Ralph Stevens  
District Chief

Article 11. Shall \$137,000 be appropriated for constructing and originally equipping a Municipal Garage and the Selectmen be authorized to borrow said sum under the Municipal Finance Act?

Article 12. To see if the Town will vote to appropriate such sums of money as may be necessary to defray the expenses of operation of the Town; Town Officers' salaries and expenses; expenses of Election and Registration; Planning Board; District Court and Town Buildings; Ambulance; expenses of the operation of the Police, Fire, and Civil Defense Departments; expenses of the Town Dump, and damage by dogs; expenses of the Health Department; Summer and Winter Maintenance and General expense of Town Highways; Street Lighting; Town Poor and Legal expenses; Social Security and Retirement (Town's share); Interest; and other necessary expenses pertaining to the operation of the Town of Salem, including Water Department, all such amounts being shown in the posted Town Budget.

Article 13. To see if the Town will approve the "Code of Ethics" for all Town Officials and Town Employees as adopted by the Board of Selectmen:

## I. Declaration of Policy

The proper operation of democratic government requires that public officials and employees be independent, impartial and responsible to the people; that government decisions and policy be made in the proper channels of the governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its government. In recognition of these goals there is hereby established a Code of Ethics for all officials and employees of the Town whether elected or appointed, paid or unpaid.

The purpose of this Code is to establish ethical standards of conduct for all such officials and employees by setting forth those acts or actions that are incompatible with the best interests of the Town and by directing disclosure by such officials and employees of private financial or other interests in matters affecting the Town. The provisions and purpose of this Code and such rules and regulations as may be established are hereby declared to be in the best interests of the Town of Salem.

## II. Responsibilities of Public Office

Public officials and employees are agents of public purpose and hold office for the benefit of the public. They are bound to uphold the Constitution of the State of New Hampshire, and to carry out impartially the laws of the nation, state and town and thus to foster respect for all government. They are bound to observe in their official acts the highest standards of morality and to discharge faithfully the duties of their office regardless of personal considerations, recognizing that the public interest must be their primary concern. Their conduct in both their official and private affairs should be above reproach.

### Avoidance of Impression of Corruptibility

Public officials and employees, whether appointed or elected, full-time or part-time, paid or unpaid, should conduct their official duties with integrity, impartiality, and in the public

interest. They also should conduct both their official and private affairs so as not to give a reasonable basis for the impression that any such official or employee can be improperly influenced in the performance of his official duties. Such official or employee should so conduct himself as to maintain public confidence in his performance of this public trust. He should not be a source of embarrassment to his unit of the town government or to the Board of Selectmen and should avoid even the appearance of conflict between his public duties and private interests.

### III. Dedicated Service

All officials and employees of the town should be loyal to the political objectives expressed by the electorate and the programs developed to attain those objectives. Appointive officials and employees should adhere to the rules of work and performance established as the standard for their positions by the appropriate authority.

Officials and employees should not exceed their authority or breach the law or ask others to do so, and they should work in full cooperation with other public officials and employees unless prohibited from so doing by law or by officially recognized confidentiality of their work.

### IV. Fair and Equal Treatment

#### *(a) Interest in Appointments*

Canvassing of members of the Board of Selectmen, directly or indirectly, in order to obtain preferential consideration in connection with any appointment to the town service shall disqualify the candidate for appointment except with reference to positions filled by appointment by the Board of Selectmen.

*(b) Use of Public Property*

No official or employee shall request or permit the use of town-owned vehicles, equipment, materials, or property for personal convenience or profit, except when such services are available to the public generally or are provided as town policy for the use of such official or employee in the conduct of official business.

*(c) Obligations to Citizens*

No official or employee shall grant any special consideration, treatment, or advantage to any citizen beyond that which is available to every other citizen.

*(d) Exparte Communications*

No official or employee should encourage, make, or accept any exparte or other unilateral application or communication that excludes the interests of other parties in a matter under consideration when such application or communication is designed to influence official decision or conduct of the official himself or other officials, employees, or agencies in order to obtain favored treatment or special consideration to advance the personal or private gain of himself or others. The purpose of this provision is to guarantee that all interested parties in any matter have equal opportunity to express and represent their interests.

*(e) Discrimination in Appointments*

No person shall be appointed to, or removed from, or in any way favored or discriminated against with respect to any appointive office or position of employment, because of his race, religion, national origin, or political affiliations or opinions, if otherwise qualified for the position or office. However, this provision does not impair administrative discretion in determining the requirements of a position or in job assignment of a person holding such position.

## V. Conflict of Interest

No selectman or other official or employee, whether paid or unpaid, shall engage in any business or transaction or shall have a financial or other personal interest, direct or indirect, which is incompatible with the proper discharge of his official duties in the public interest or would tend to impair his independence of judgment or action in the performance of his official duties. Personal as distinguished from financial interest includes an interest arising from blood or marriage relationships or close business or political association.

Specific conflicts of interest are enumerated below for guidance of officials and employees:

1. Incompatible Employment - Holding a position in addition to a public position which interferes, or may interfere, with the proper discharge of the public duty.
2. Use of Confidential Information - Obtained as a result of public position, for personal gain.
3. Acceptance of, or soliciting of gifts and favors by a public official or employee.
4. Any use of official position for personal gain.
5. Holding (possession) investments which interfere, or tend to interfere, with the proper discharge of public duty.
6. Representation by Public Officials or Employees of private interests before government agencies, courts, or legislative bodies, and participation in the profits from such representation.
7. Participation in transactions as a public representative with a business entity in which the public official or employee has a direct or indirect financial or other personal interest.
8. Personal Interest in Legislation to the extent that private interest takes precedence over public interest and public duty.
9. Entry into Contracts or other conduct of Business for Profit by a business in which a public official or employee has a substantial or controlling interest, especially when the public official or employee can influence such contract or business because of his public position.

10. Soliciting or accepting future employment with a business doing business with the town over which the public official has some control in his official capacity at the time of the transaction.

11. Representing private interests before the courts, where official position or information is presumed to exert an undue influence or to give advantage.

12. Prohibition against any impression of corruptibility by a public official as a result of the official's conduct or other act.

13. An injunction to the public official to adhere to ethical or right conduct in his official and private conduct.

14. Prohibition against exparte (unilateral) communications or applications to the exclusion of other interested parties.

15. Prohibition of political activity for appointed officials where such activity may be a cause of favored treatment or undue influence on official position, action, or judgment.

16. Incompatible Employment - No Selectman or other official or employee shall engage in or accept private employment or render services for private interests when such employment or service is incompatible with the proper discharge of his official duties or would tend to impair his independence of judgment or action in the performance of his duties.

17. Disclosure of Confidential Information - No Selectman or other official or other employee shall, without proper legal authorization, disclose confidential information concerning the property, government, or affairs of the Town. Nor shall he use such information to advance the financial or other private interest of himself or others.

18. Gifts and Favors - No Selectman or other official or employee shall accept any valuable gift, whether in the form of service, loan, thing, or promise from any person, firm, or corporation, which to his knowledge is interested directly or indirectly in any manner whatsoever in business dealings with the Town; nor shall any official or employee (1) accept any gift, favor, or thing of value that may tend to influence him in the discharge of his duties, or (2) grant in the discharge of his duties any improper favor, service, or thing of value.

19. Representing Private Interests Before Town Agencies or Courts - No Selectman or other official or employee whose salary is paid in whole or in part by the Town shall appear in behalf of private interests before any agency of the Town. He shall not represent private interests in any action or proceeding against the interests of the Town in any litigation to which the Town is a party.

20. Contracts with the Town - Any Selectman or other official or employee who has a substantial or controlling financial interest in any business, entity, transaction, or contact with the Town, or in the sale of real estate, materials, supplies, or services to the Town, shall make known to the proper authority such interest in any matter on which he may be called to act in his official capacity. He shall refrain from voting upon or otherwise participating in the transaction or the making of such contract or sale.

A Selectman or other official or employee shall not be deemed interested in any contract or purchase or sale of land, or other thing of value unless such contract or sale is approved, awarded, entered into, or authorized by him in his official capacity.

21. Disclosure of Interest in any Bylaw, Ordinance or Policy made by the Board: A Selectman who has a financial or other private interest in any Bylaw, Ordinance or Policy decision made by the Board, shall disclose on the records of the Board of Selectmen or other appropriate authority the nature and extent of such interest. This provision shall not apply if the Selectman disqualifies himself from voting.

Any other official or employee who has a financial or other private interest and who participates in discussion with or gives an official opinion to the Board of Selectmen, or to any of its subsidiary board or agency, or other appropriate authority the nature and extent of such interest.

## VI. Political Activity

No appointive official or employee in the administrative service shall use the prestige of his position in behalf of any political party.

No appointive official or employee in the administrative service shall orally, by letter, or otherwise, solicit or be in any manner concerned in soliciting any assessment, subscription, or contribution to any political party; nor shall he be a party to such solicitation by others. Such appointed officials and employees shall not take an active part in political campaigns for candidates.

No official or employee, whether elected or appointed shall promise an appointment to any town position as a reward for any political activity.

## Giving Testimony

It is the duty of town employees to answer questions that may reflect upon their fitness for town office or employment. If any town official or employee, after lawful notice or due process, is called upon or requested to give testimony or to produce evidence upon matters relating to his office or position in connection with any inquiry conducted by the Board of Selectmen, grand jury, legislative committee, or any officer, board or body authorized to conduct any such hearing or inquiry, and if such official or employee (1) refuses to testify on any ground whatsoever, or (2) refuses to waive immunity from prosecution on account of any matter in relation to which he may be asked to testify upon any such hearing or inquiry, his term or tenure of office or employment should terminate, and he should resign immediately upon request of the appropriate authority or forfeit his position at the suit of the Town.

Such official or employee should also disqualify himself from holding any town office or position for a period of four years after such refusal, except if a court or competent jurisdiction should decree otherwise. Nothing in this article shall be construed to impair a constitutional or Civil right.

## VII. Applicability of Code

When a Selectman or other official or employee has doubt as to the applicability of a provision of this Code to a particular situation, he should apply to the authority on ethical conduct constituted for the implementation of this Code for an advisory opinion and be guided by that opinion when given. The Selectmen or other official or employee shall have the opportunity to present his interpretation of the facts at issue and of the applicable provision (s) of the Code before such advisory decision is made. This Code shall be operative in all instances covered by its provisions except when superseded by an applicable statutory provision is discretionary, but determined to be more appropriate or desirable.

## VIII. Sanctions

Violation of any provisions of this Code should raise conscientious questions for the Selectmen or other official or employee concerned as to whether voluntary resignation or other action is indicated to promote the best interest of the Town. Violation may constitute a cause for suspension, removal from office or employment, or other disciplinary action.

Be it further resolved, that the Board of Selectmen of the Town of Salem recognizes, by the adoption of this Code of Ethics, the possibilities of differences of opinion in the applicability of this Code, does, for the purposes of implementing the provisions of this Code, create a Board to be known as the Ethical Standards Advisory Board.

The membership of this Ethical Standards Advisory Board shall consist of Five (5) members as designated below:

1. Chairman of the Board of Selectmen
2. Chairman of the School Board
3. Three (3) members to be appointed by the Board of Selectmen. The initial appointments shall be made for terms as follows:

*One* for a 1-year term

*One* for a 2-year term

*One* for a 3-year term

Thereafter appointment shall be for a three-year term. Each member shall serve without remuneration of any kind.

It is further resolved that the Board of Selectmen in a further action to implement this Code of Ethics do each subscribe to the following creed:

As members of the Board of Selectmen of the Town of Salem, we do collectively and individually believe:

That the proper operation of democratic government requires that public officials be independent and impartial in their judgment and actions; that governmental decisions and policy be made in the proper channels of the governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its government and public officials.

And that the realization of these ends is impaired whenever there exists, or appears to exist, an actual or potential conflict between the private interests of a governmental official and his public duties.

Therefore, as members of the Board of Selectmen of the Town of Salem, we assert our solemn belief that the primary responsibility for maintaining a high level of ethics among Town Officials and employees falls upon the Board of Selectmen as the governing body elected by the people;

Consequently, as Selectmen, we believe it our duty to:

1. Respect the importance of American ideals of government; of the rule of law, of the principles of public administration, and of ethical conduct in the performance of our public duties.
2. Represent and work for the common good of the people of our town and not for private interest, assuring fair and equal treatment of all persons, claims, and transactions coming before us in our official capacity.
3. Refrain from accepting gifts or favors or promises of future benefit which might compromise or tend to impair our independence of judgment or action as Selectmen.
4. Learn the background and purposes of major ordinances before our voting.
5. Faithfully perform our duties as Selectmen by attending all sessions of the Board of Selectmen, unless unable to do so for some compelling reason or disability.
6. Help the Board of Selectmen to maintain the highest standards of ethical conduct by refusing to approve breaches of public trust or improper attempts to influence legislation and by being willing to vote to censure or otherwise discipline any Selectman who willfully violates the duly established rules of conduct for Selectmen.
7. Disclose all sources of income which may represent a substantial conflict of interest with our duties as Selectmen and to disclose the nature and extent of our interests, individually, as officers, agents, members or owners of any business entity or other associations which are subject to regulation by the Town, such disclosure to be made to the proper authority established for that purpose.

8. Refuse to represent private interests before town agencies or in the courts, except as may be our duty towards constituents, such service to be rendered without compensation, and refuse to accept or engage in any employment incompatible with our public duties.
9. Disclose any private interest we may each have in legislation before the Board of Selectmen, or to refrain from voting when such interest is in substantial conflict with our respective duties.
10. Refrain from disclosing confidential information concerning the town government.

Article 14. To see if the Town will resolve, pursuant to the Housing Authorities Law of New Hampshire, that there is need for a Housing Authority to function in the Town of Salem, to be called "The Housing Authority of the Town of Salem".

Article 15. To see if the Town will vote to approve the application by the Housing Authority of the Town to the Federal government for preliminary loans, and to authorize the Selectmen to enter into a cooperation agreement with the Housing Authority by adopting the following resolution:

"Be it resolved by the inhabitants of the Town of Salem that there exists in the town a need for low rent housing at rents within the means of persons and families of low income as defined in the United States Housing Act of 1937, as amended, which need is not being adequately met by private enterprise; that the application of the Housing Authority of the Town to the Department of Housing and Urban Development, Housing Assistance Administration, for a preliminary loan in an amount not to exceed four thousand five hundred dollars (\$4,500) for surveys and planning in connection with low rent housing projects of, not to exceed approximately one hundred (100) dwelling units, be, and hereby is approved; and the

Selectmen are authorized to execute, on behalf of the Town, an agreement with the Housing Authority providing for the local co-operation required by the Housing Assistance Administration pursuant to the United States Housing Act of 1937, as amended, and to act in any manner relating thereto."

Article 16. To see if the Town will vote to authorize the Selectmen and Treasurer under the provisions of R.S.A. 33:71, as amended, to borrow, in anticipation of taxes, such sums as are necessary for the operation of the Town, and to set the rate, effect the issuance of notes, and to otherwise negotiate for the sale of notes to be paid within the present fiscal year.

Article 17. To see if the Town will vote to authorize the Selectmen and Town Manager to apply, negotiate, and do all other things necessary to obtain such Federal Interest Free Loans, and to expend the same, as may be required for the preparation of plans and designs of Town Roads, Municipal Buildings, extension of the Water System and other Town functions.

Article 18. To see if the Town will vote to authorize the Selectmen and Town Manager to apply for, negotiate and do all other things necessary to obtain such Federal funds as may be made available, and to expend the same.

Article 19. To see if the Town will vote to accept the following swimming pool ordinance:

Any pool in Salem used for swimming or bathing shall be in conformity with the following requirements:

*a. Fencing.* Every outdoor swimming pool shall be completely surrounded by a fence or wall not less than four feet in height, which shall be so constructed as not to have openings, holes, or gaps larger than four inches in any dimension except for doors and gates; and if a picket fence is erected or maintained, the horizontal dimension shall not exceed four inches; a dwelling house or accessory building may be used as part of such enclosure.

b. *Gates.* All gates or doors opening through such enclosures shall be equipped with a self-closing and self-latching device for keeping the gate or door securely closed at all times when not in actual use, except that the door of any dwelling which forms a part of the enclosure need not be so equipped.

c. *Applicability.* The requirements of this code shall be applicable to all new swimming pools hereafter constructed, other than indoor pools, and shall apply to all existing pools which have a minimum depth of 18 inches of water. No person in possession of land within the Town, either as owner, purchaser, lessee, tenant or a licensee, upon which is situated a swimming pool having a minimum depth of 18 inches shall fail to provide and maintain such fence or wall as herein provided.

d. *Appeals and Hearings.* The Board of Adjustment, after public hearing, may make modifications in individual cases, upon a showing of good cause with respect to the height, nature, or location of the fence, wall, gates or latches, or the necessity therefor, provided the protection as sought hereunder is not reduced thereby. The Board of Adjustment may permit other protective devices or structures to be used so long as the degree of protection afforded by the substitute devices or structures is not less than the protection afforded by the wall, fence, gate and latch described herein.

e. *State Requirements.* Swimming pools shall conform to all requirements of the New Hampshire Department of Health and Welfare.

f. *Exceptions.* Above-the-ground pools with walls in excess of 36 inches in height, shall, for the provisions of this ordinance, be considered as fenced, so long as any means of egress; i.e., ladders, stairways, etc., are removed or rendered impassable, whenever said pool is not in actual use.

g. This ordinance shall be enforced by the Building Inspector.

Article 24. By request of the Salem Conservation Commission to see if the Town will vote to raise and appropriate the sum of seventy-five hundred dollars (\$7,500) annual salary for the services of a qualified Tree Warden for Salem, to protect the Town's scenic beauty and natural resources, by encouraging tree planting projects and by maintaining and doctoring trees threatened with disease, removal or vandalism, such Tree Warden to be ultimately responsible for any and all tree cutting in public areas (as Lenzen Square, Veterans Memorial Squares, the High School grounds, Mental Health Clinic, Municipal Library) and along public ways in Salem.

Article 25. By request of the Salem Conservation Commission to see if the Town will vote to accept all deeds of land present and future negotiated for by the Salem Conservation Commission, whether by gift, easement or purchase, or otherwise, with a clause reading, "That this land be preserved in a more or less natural state for open space and conservation purposes, in the public interest of the Town of Salem under the management of the Town Conservation Commission and according to the State Enabling Act of 1964."

Article 26. By request of the Salem Conservation Commission to see if the Town of Salem will vote to turn over to the Town Conservation Commission a strip of land fifty (50) feet or more in width along each side of the Spicket River and its major tributaries on all Town-owned land, in order to keep and preserve the river basin.

Article 27. By request of the Salem Conservation Commission to see if the Town will vote to pass the following Earth Removal Ordinance:

#### Earth Removal

1. No person or corporation shall remove for any purpose any soil, loam, sand or gravel from any land in any part of Town without first obtaining a written permit from the Planning Board and consulting with the Conservation Commission. Application for such permit shall be made at least fourteen (14) days prior to issue. The 14 days shall be ample time for the decision to be rendered by the Planning Board and the Conservation Commission on this item and on any other item of the following amendment.

2. Without a permit from the Planning Board and consultation with the Conservation Commission, no person or corporation shall fill any land or lot before beginning operation without first removing and saving the loam, top soil or peat, unless this is proved to the satisfaction of the Planning Board to be unfeasible. If any *wooded* land or lot must be filled without the removal of the loam, top soil

or peat, a limit of six (6) inches of sandy loam or fill around the base of the trees will be allowed unless a well is constructed twelve (12) inches minimum radius around each tree, to preserve as many trees as possible.

3. Before granting any such permit, the Planning Board shall  
a) give due consideration to the location of the place from which it is proposed to remove soil, loam, sand, gravel or peat, as to the general character of the neighborhood surrounding such location and to the effect of the proposed removal on the neighborhood, as follows:

The degree of noise and vibration, dust and air pollutants; public safety and safety on the public ways; safe access to and in the immediate vicinity of such location; consideration of the ecological interdependence and ultimate condition and well being of the soil and water, plant and wildlife, wilderness areas and wildlife habitat, unique and picturesque spots, scenic views, fieldstone walls, the watershed, swamps and wetlands as natural reservoirs and vital to flood control, and recreational areas.

b) No permit granted by the Planning Board shall be valid for a period in excess of one year from its date of issue.

4. The Planning Board may impose reasonable restrictions and conditions on the exercise of the permit which they deem to be compatible with the general public interest and which may include the following:

- A. The duration of the time during which the permit may be exercised.
- B. The extent, depth and contour of the area of removal.
- C. The grade of the slope of the banks of the area of removal on land near a public way or other property line: No slope should be greater than two (2) horizontal to one (1) vertical, beginning at no less than five (5) feet from the property line.
- D. Two hundred (200) feet or more from any public way a slope of one (1) horizontal to one (1) vertical is preferred for a finished grade; a slope of one (1) horizontal to two (2) vertical while pit is in operation helps to prevent accidents.
- E. An area where loam has been removed shall be regraded with a minimum of two (2) inches of loam seeded, or reforested, or hay mulched.

5. This ordinance does not apply to the removal of soil, loam, peat, sand or gravel, clay, stones, quarried rock or other sub-surface products when incidental to and reasonably required in connection with construction on the premises of any building for which a permit has been issued by the Building Inspector. Nor will it apply to any work or digging or removal required to meet topography grades of a development; nor does it apply to work in connection with farming or vegetable gardening.

6. Earth removal activities in operation for twelve (12) months or more on any parcel of land at the time this section is adopted may continue unless abandoned for more than twelve (12) consecutive months. However, unless specifically authorized by a new permit, these rules shall be followed:

a) The depth of excavation shall not be increased below the grade of the lowest point excavated on the effective date of this section;

b) The total area of excavation within the parcel shall not be increased by more than fifty (50) per cent over its area on said effective date.
